

## PREPARING FOR YOUR

# Cake Smash

Besides heaps of fun and heaps of mess, here is our list of some other stuff you can expect during your cake smash...

## 01 *What to Bring*

- Baby's themed outfit (if using your own)
- 2 Towels and a face washer
- Change of clothes for baby
- Change of clothes for yourself
- Body Wash if baby has sensitive skin
- Sippy Cup & Snacks

## 02 *What to Expect*

- First, some beautiful portrait shots of your baby without the cake
- We bring out the cake!
- Baby investigating and tasting!
- Get ready to help by breaking up the cake and guiding them to feel comfortable
- Expect to get messy! You may have to pick your baby up while they are covered in cake...

## 03 *Allergies*

- Please let me know well in advance if your baby has any allergies, so that we can tailor your cake to suit baby's needs.
- We will never use nuts but can order dairy free, egg free or soy.
- Should you prefer to bring your own cake, a discount of \$50 can be arranged.

## 04 *The Bath Shots*

- If baby is happy we will fill up the little bath with warm water and a squirt of sensitive bubble bath.
- Please stay close to your baby to ensure they are safe.
- A few images of baby splashing around.
- Baby will probably need another bath once home to remove any icing residue.
- I have a change table in the studio and a proper bathroom available inside the house

## 05 *Siblings*

- The studio is tiny with large lights and equipment, so please try to avoid bringing siblings along to avoid overcrowding and possible injuries or damage.
- Also, siblings usually can't resist wanting to join in with the cake smash (who can blame them after all, yum!)
- Extra children will only make it more difficult for us to focus on baby and more sticky fingers in the car on the way home too.
